EMO ENCORE

3-5 December
European Technology
Centre, Worcester

Mazak will be showcasing highlights from EMO 2019 from 3-5 December at the European Technology Centre in Worcester.

If you missed the **EMO** event in Hannover this year, **EMO ENCORE** is the perfect opportunity to see new technology that was unveiled and experience the highlights from the Mazak stand.

At **EMO ENCORE**, you will be able to see the latest machines in live cutting action and understand how Mazak's iSMART Factory concept enables machine users to make the vital step-up to a completely connected factory of the future.
