

HEALTH AND SAFETY POLICY STATEMENT YAMAZAKI MAZAK UK LTD

The Health & Safety policy is an integral part of Yamazaki Mazak (UK) Ltd business strategy. The Group Managing Director for Europe is responsible for managing and maintaining the policy.

Our senior management team promotes and endorses this policy and ensures it is compatible with the context and strategic direction of the company. We are committed to continual improvement of the Health and Safety Management System to enhance Health and Safety performance. This will be carried out by documenting health and safety objectives based on our compliance obligations, significant business risks and opportunities.

Our senior management team is committed to ensuring that the Company:

- Comply with all relevant health and safety laws, regulations, and compliance obligations.
- Provide employees and others with effective communication and the resources needed for the management of health and safety, including support, direction and encouragement to be able to fulfil the requirements.
- Assess the risks to the health and safety of our employees and others who may be affected by our activities and implement controls to minimise those risks.
- Endeavour to prevent work-related injuries, ill health, disease and incidents.
- Maintain safe plant and equipment and implement safe systems of work.
- Ensure the safe use, handling, storage and transport of articles and substances.
- Maintain a safe working environment with safe access, egress and welfare facilities.
- Provide the necessary training to our employees and others, including temporary employees to ensure their competence with respect to health and safety.
- Promote a positive culture that encourages good health and safety practices.

This policy will be communicated to all employees and organisations working for or on behalf of Yamazaki Mazak (UK) Ltd. This policy statement is available to interested parties on the website www.mazakeu.co.uk
