

WELCOME TO THE **FIRST CUSTOMER** NEWSLETTER OF **2018**

Following an incredibly successful 2017, we're now well into the new year and with Industry 4.0 shaping the manufacturing landscape we're continuing to evolve the iSMART Factory™ principles to both improve our own factories and further benefit our customers.

We're looking forward to another successful year and will certainly keep you regularly updated with news and events throughout with the customer newsletter.

FEATURED
MACHINE

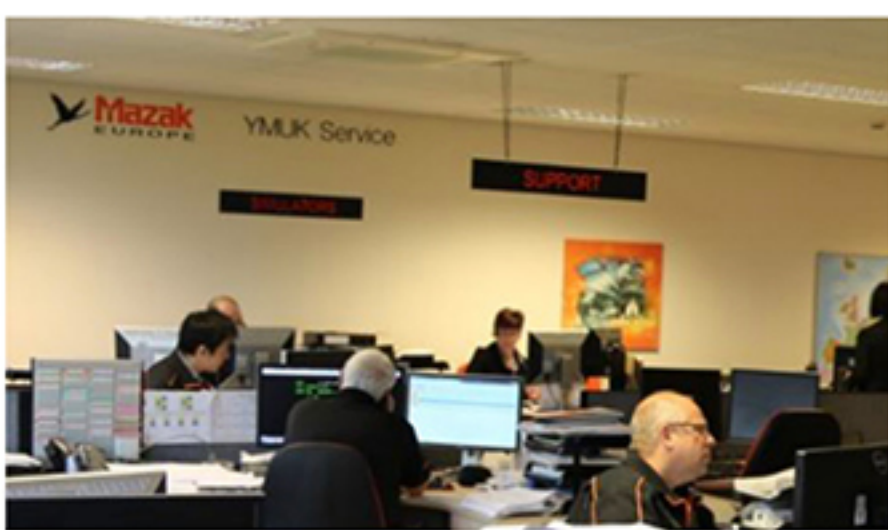

HCN-6000

Perfect for heavy duty machining, the **HCN-6000** with a pallet size of 500mm² meets the requirements of a wide range of workpiece materials.
