

automation

Event at Mazak European HQ, Worcester

19th - 21st June 2018

Automation is ON!

Come to Mazak European HQ between 19th – 21st June to see how automation can improve your business's outputs. Featuring automation solutions from a range of providers, including FANUC, Robojob and lemca, this event is designed to highlight the wide range of automation options available to UK machine users.
