Centre, Worcester

FACTORY INVESTMENT

Yamazaki Mazak has made a series of major investments at its UK-based European manufacturing plant in Worcester. The multimillion-pound investments include two new state-of-the-art manufacturing cells making component parts for new Mazak machines produced at the Worcester facility.

A LOOK BACK AT EMO

Yamazaki Mazak have returned from EMO 2019 buoyed by strong machine orders and record visitors to its stand. The company has reported a stand visitor increase of circa 5% in comparison to 2017 numbers during the five-day Hannover show, along with strong enquiries for the 27 machines and 15 different automation solutions exhibited.
